## Elderly Housing Vote Scheduled in 60 Days

Beating back the efforts of a minority led by Bernard Bordenet to obtain an immediate vote, the membership of Greenbelt Homes, Inc. at their annual meeting last night voted to hold a referendum within 60 days on the housing for the elderly project. Bordenet argued fruitlessly that the by-laws permitted the referendum question to be added to the election ballots being cast yesterday and today.

GHI manager Ed Burgoon read the opinion of counsel that a referendum could not legally be added to the ballot. The opinion was upheld by a wide margin from the floor. A slate of candidates opposing the incumbents had petitioned for the immediate referendum.

The membership then turned to the key question of whether to hold another open vote from the floor on the project or to hold a referendum at a future date. Director Harry Zubkoff who made the motion for the board to hold a referendum within 60 days pointed out that another open vote might result in the same alleged inconclusive results as attended the vote at the November 30, 1961, special meeting.

"If the purpose of reopening the question of elderly housing is to get the widest possible expression of membership sentiment," Zubkoff said, "then a referendum is the only way." The vote in favor of his motion was overwhelming.

Before the final vote, the membership accepted an amendment proposed by Al Skolnik that discretion be given the GHI board to conduct the referendum either by mail or through a ballot at the polls.

The one other issue that promised fireworks — a proposed by-law change — was defused early by the announcement that Federal National Mortgage Association (FNMA) had disapproved it. FNMA holds the GHI mortgage and accordingly must approve all by-law changes. No reason was given for the disapproval of the proposed change which dealt with corporation authority to expend funds.

## Style Revue Winners

Members of Greenbelt's 4-H Clubs walked away with four out of 10 purple "Grand Champion" ribbons at the Prince Georges 4-H Style Revue held on Hecht's terrace at the Plaza last Friday evening.

Cloverettes Barbara Geller, in an all-over print; Elise Geller, in beige broadcloth; and Barbara Skolnik, in hot pink, walked down the runway modeling their winning dresses. Cloverbud Beth Noll modeled her successful entry, a pink and white gingham apron.

In all, 54 Juniors and Seniors from Prince Georges County participated in the Style Revue. All had previously been blue ribbon (first place) winners in recent 4-H area competitions.

## Women's Club Luncheon

The annual spring luncheon of the Woman's Club will be held at 1 p.m. Friday, May 18 at Schraft's Restaurant on the Baltimore Parkway, when Mrs. Charles T. McDonald will be installed as president, to succeed Mrs. C. Wayne Tucker.

Several members of the Woman's Club were honored at the Maryland State Convention in Baltimore on May 1. Kathryn Houlton received third prize on one picture and honorable mention on two others. Lucille Fonda received honorable mention on a beige knitted dress, and Vilma Cormack received honorable mention in literature.

## Police News

The week of May 13 - 19 has been designated as Police Week throughout the nation, as a tribute to police officers everywhere for their efforts towards proper law enforcement. May 14 was designated as Police Officers Memorial Day and flags were flown at half staff in memoriam to those police officers throughout the country who lost their lives in the line of duty. "Open House" is being held at the office of the Greenbelt Police all week and the public is invited to visit the office to become acquainted with personnel, equipment, and method of operation.

The theft of certain parts from the machines at the laundromat in the Center has led police to suspect that someone with a professional knowledge of machines of this type is involved.

Chief Williams has informed all officers that the 90-minute parking restriction at the Center has been cancelled until further notice. Now that the Coop store has been decreased in size and the bowling alley not in operating condition, the need for the 90 minute area is no longer necessary. The 20 minute restriction will remain in effect.

A resident reported a minor dog bite last week. Chief Williams requests that all bites caused by animals be reported to the police office immediately.

Two local juveniles and a 14 year old D.C. girl were picked up in Cumberland this week-end in a car reported stolen from D.C. They were brought back to this area where charges are pending since investigation into the stolen car report has not been completed.

A Greenbelt youth was charged with failing to yield the right of way when his car collided into the auto which was turning into the parking area of 21 Ridge. The driver of the other car was a woman who was taken to the hospital suffering from a possible leg injury.

A Greenbelt man was committed to the psychiatric ward at P.G. following an investigation of domestic trouble which had been reported to police.

One dog bite, not reported serious, was reported on Saturday.

Last week, police were called to the vicinity of the Community Church where shots had been reported but could find nothing. They also could find no trace of a prowler which had been reported near 16 Ridge.

## Award For O'Loughlin

On Tuesday, May 15, Joseph O'Loughlin, 11-R Laurel Hill, was awarded an outstanding citizen's award for 1961. The award, a plaque reading, "presented to Joseph O'Loughlin for service to the citizens of Prince Georges County above and beyond the normal call of duty." This award was sponsored by district 17, V.F.W. of U.S. and was presented at a District Meeting held at the V.F.W. Free Post 8950 on Telegraph Road in Lanham.

Reference was made to the incident at the North End School where the life of a school boy was saved by his fast action and the use of artificial respiration with mouth to mouth breathing.

## Mrs. Baldovin Elected

Mrs. Margaret M. Baldovin of 69-B Ridge, has been elected by the Sodalists of Washington to serve as treasurer of the Sodality Union of the Archdiocese of Washington for two years. Mrs. Baldovin, a long-time member of St. Hugh's Parish is a past-prefect of St. Hugh's Sodality, having held that office for three terms and one term as treasurer.

## Silver Anniversary Dance Is Scheduled

A dance has been scheduled as part of Greenbelt's silver anniversary celebration, according to Harry Zubkoff, chairman of the city's silver anniversary committee. The committee meeting of May 2 decided to hold a community dance on October 13, Saturday evening, at the National Guard Armory, as a feature attraction of the general observance of Greenbelt's twenty-fifth birthday year.

Zubkoff urged that other local organizations not schedule activities for that evening, so that their members would be free to attend the dance. He pointed out, however, that the Armory can only accommodate approximately 400 persons, so that those who wish to attend should get their tickets as early as possible after they go on sale. The subcommittee for the dance arrangements includes Mrs. Allen Douglas, Frank Perazzoli, Richard Pilski, and Bud Dean.

Other developments which came out of the committee meeting were the appointment of a subcommittee for souvenirs, under the chairmanship of Joseph Cherry, and the appointment of a subcommittee for community decorations, consisting of Austin Green, Frank Perazzoli, Charles Walton, and Leo Gerton.

Plans for a grand banquet are still under consideration, pending the availability of a prominent guest speaker. Meanwhile, local organizations are invited to arrange with the steering committee for exhibit space in the merchants' show windows at the center if they wish to set up a display depicting their growth over the years.

## Prize to Rachelle Chasnoff

Rachelle Chasnoff, daughter of Mr. and Mrs. Abraham Chasnoff, 45-N Ridge, was the winner in Prince Georges County Elk's Lodge #1778 Mother's Day Essay Contest. Rachelle, a ninth grade student at Greenbelt Junior High School, received a \$25.00 United States Savings Bond. The presentation was made by Exalted Ruler L. G. Lyons.

## Revised City Budget Figure Is \$321,534; Tax Rate at \$1.62

By Al Skolnik

Responding to the request of council for reductions, city manager Charles T. McDonald submitted last week a revised 1962-63 municipal budget calling for expenditures of \$321,534 and a tax rate of \$1.62 per \$100 of assessed valuation. The original budget of April 16 estimated expenditures of \$333,550 and a tax rate of \$1.74.

## 875 Democrats, 214 Republicans Vote Locally

Frank Lastner led the local voting for the Democratic nominations for the office of county commissioner, topping his nearest competitor, Mrs. Gladys Spellman, by the wide margin of 564 to 320 in Tuesday's primary. Total number of residents voting was 1,089, of which 875 were Democrats and 214 were Republicans.

Other Democratic nominees who received strong support were Richard Lankford, Congressman for the fifth district, with 587 votes; Carleton Sickles, running for Congressman-at-Large, 432 votes, and David Hume, candidate for governor, whose local vote was 486 to 252 votes for J. Millard Tawes. Greenbelt voters generally followed the pattern of the county in voting heavily for the Independent Democrats.

Following are the local Democratic vote totals in the major races:

Governor	
Hume 486	Tawes 252
U. S. Senator	
Byrd 233	Brewster 269
State Senator	
Wheatley 412	Sasscer 306

State's Attorney	
Marshall 352	Yewell 274
Sheriff	
Jamieson 293	Abdalla 252

## Pool Membership

May 30th marks the opening of the Greenbelt swimming pool. Family and individual memberships for use of the pool are still available. So far this year 189 resident family plans, 25 non-resident family plans and 10 single plans have been purchased out of a hoped for total of 1000 memberships. Last year 450 memberships were purchased.

The family plans cost \$20 for residents of Greenbelt and entitle all members of the family to free swimming for the entire summer. Single plans are available for Greenbelters for \$12 and non-resident family plans are offered at \$35. At the closest neighboring community pool, in Berwyn, the rates are \$65 per family and \$20 per individual, plus a gate fee of between 25c to 35c for those holding these memberships.

There is no announced cut-off date on purchase of memberships at the Greenbelt pool at this point. Registrations may be picked up at the Youth Center and mailed in.

## Helen Chasanow at Meeting

Helen Chasanow, local realtor and a member of the Greenbelt Realty Company, attended the national meeting of the Women's Council of the National Association of Real Estate Boards in Chicago last week. Mrs. Chasanow is Regional Vice President of the Council, and her jurisdiction includes the District of Columbia, Maryland, West Virginia, Delaware, and Pennsylvania.

At the meeting, plans were made for improving the qualifications of real estate salespeople, and emphasis was placed on strict adherence to the Code of Ethics of the National Association of Real Estate Boards.

Not all of the lowered tax rate is attributable to the \$12,000 cut effected in expenditures. About 5 cents of the reduction can be traced to the fact that the assessable tax base had been underestimated by \$311,930 at the time of the original budget presentation. The new tax base is estimated at \$9,659,670.

Under the revised budget, McDonald estimates that revenue from other sources than real estate taxes will equal \$139,240, and that the surplus available from previous years' operations will total \$25,308, leaving \$156,986 to be raised from real estate taxes. The new surplus is some \$4,000 less than originally estimated. This is attributable to the fact that since the anticipated surplus for 1961-62 is based in part on the tax rate set for this year, any reduction in the tax rate will be reflected in a lower surplus.

### Expenditure Cuts

The suggested cuts in expenditures include \$6,780 from the road sealing highway program, \$395 from janitorial services for the city offices, \$1,113 from salaries for the finance office, \$2,260 from recreation department salaries, \$280 from conferences and training, \$400 from replacement and repair accounts, and \$500 from the municipal park budget. Also eliminated completely was \$282 for the recreation director's car allowance.

These cuts would still leave the 1962-63 expenditure budget some \$7,000 higher than the 1961-62 budget. McDonald explained that almost all of this increase represents fixed services that must be provided under present operating standards, including the debt service.

In connection with the road sealing program, McDonald stated that elimination of the \$6,780 increase permits only 3/4 of a mile paving this year, compared with the three miles normally done each year. Although the new road sealing technique will provide longer maintenance, he continued, the immediate effect of the cut would be for the city to fall behind schedule.

McDonald estimated that the employment of a full-time recreation director and a full-time assistant in place of one full-time superintendent of recreation and several part-time assistants will save \$2,260.

The \$500 reduction in the municipal park budget, McDonald said, is made possible by recent appropriations for current needs which would reduce the need for some proposed items in next year's operation.

One idea put forward by McDonald for elimination of \$500 for July 4 fireworks was immediately vetoed by council, who advised the Greenbelt Fire Department and Rescue Squad that it would match the latter's expenditures for fireworks up to \$500.

The city council set Monday, May 28, for the public hearing of the budget, to be held at the Youth Center. The council will consider the budget for first reading on Monday, June 4. The deadline for budget passage is June 10.

### Tid-bits

The council named the following persons to the three vacancies on the Recreation Advisory Committee: George Confer, 51-Crescent; Mrs. Thatcher McKenzie, 4-E Southway; and Bill Hand, 8 Greendale Pl. . . . The council scraped the bottom of its miscellaneous account by appropriating \$1,025 to meet operating costs till the end of the fiscal year . . . Council has approved street grades for extension of Lakeside Drive and new cul de sacs proposed for Bresler tract. . . Council has decided not to change job specifications for Mrs. McCay's vacated city clerk position. . . City will explore with Maryland Park and Planning Commission possibility of latter's maintaining Greenbelt Lake and environs.

#### Baptists Perform Cantata

The Greenbelt Baptist Church will present a program of special music performed by the Youth Choir at 7:30 p.m., May 20, in the sanctuary. The cantata, "The Thorn-Crowned King," composed by Fred B. Holton with a text by Herman von Berge, will be directed by Miss Dorothy Ashley. Mrs. S. Jasper Morris, Jr., sponsor of the group, will serve as accompanist. Soloists will be soprano Bonnie Pate, and Dorothy Ashley, and baritone Jerry Morgan and Barton Truesdell.

#### Parents of Teenagers Meet

"How To Cope With Hostility in Children" was one of several questions raised at a meeting of parents in the Co-op Community Room on Tuesday, May 8. The group met to establish a community lecture and study group for parents of adolescent and teen age children.

These basic subjects were selected by the parents, physical and emotional growth; responsibility; and supervision vs. interference.

Parent Study Association, a name tentatively chosen for the group, will hold its next meeting at the Co-op Community Room on Tuesday, June 5 at 8:15 p.m. The speaker will be Mrs. Maxine Carson of the Advisory Council for Parent Study Groups of the Board of Education. All interested parents are invited to attend.

#### Ladies Auxiliary Groups Invited by Latter-day Saints

The Ladies Auxiliary of the Church of Jesus Christ of Latter-day Saints, located at East-West Highway and Adelphi Road, is holding a Friendship Day on May 25, at 1 p.m. All ladies clubs, including church and homemaker groups, are invited to exchange ideas on education and arts and crafts. Reservations may be made by calling Mrs. Kathleen Plowman, 474-6950, on or before Wednesday, May 23.

#### Last Chance for Lassies

There are only two more Saturdays when Greenbelt's young lassies, between the ages of 9 and 14 can sign up to play soft-ball as members of the organized and franchised Greenbelt Lassie League. Registrations will be held from 10 a.m. to 12 noon Saturday May 19 and May 26. No applications will be accepted after May 26.

#### Donellan-Glockzin

Mrs. Margaret Donellan, 31-B Ridge, announces the engagement of her daughter, Virginia Kemp, to Fireman Apprentice Louis Albert Glockzin, Jr. USN, son of Mr. and Mrs. Glockzin, Sr., of Muskegon, Michigan. The bride-elect is the daughter of the late Ogden H. Donellan.

The couple will be married June 9.

#### Bryn Mawr Scholarship For Alexis Pogorelskin

Alexis Pogorelskin, daughter of Mr. and Mrs. Milton A. Pogorelskin of Greenbelt, has won the Alumnae Regional Scholarship for one year at Bryn Mawr College, Bryn Mawr, Pennsylvania, from Region III. Region III is composed of Maryland, District of Columbia, Virginia, North and South Carolina, Georgia, Alabama, Florida, Louisiana, Mississippi, Tennessee, and Kentucky. Only one scholarship is awarded to each district.

Alexis has been active in many school activities such as: Honor Society, Treasurer of Inter-Faith and World Politics clubs, Non-fiction Editor of Amateur Arts Magazine, member of Physics Club, and U. N. Club. She has participated in the history and English seminar conducted by Prince Georges County Board of Education. ## Our Neighbors

Elaine Skolnik - GRanite 4-6060

Visiting the Dalton family, 4 Orange Court, is John's mother, Mrs. Doris Dalton, of Oklahoma City.

Linda Eaton, 20-D Hillside, informed me that Miss Swanson's fifth and sixth grade class enjoyed their trip to the White House and Capitol. "We saw John Jr. being strolled in his carriage, and also saw Caroline's ponies." The group met Representative Lankford and watched Congress in session.

Our deepest sympathy to Nat Shinderman, 2-K Westway, who recently lost his father.

Allen Weitsman, son of former Greenbelters, Mr. and Mrs. Edward Weitsman of Owego, New York, has been awarded a Graduate Assistantship in the Department of mathematics at Syracuse University in recognition of outstanding scholastic achievement. I would like to take this opportunity to thank former Greenbelt Mrs. Joseph Long of Silver Spring for the scoop. The Longs and Weitsmans were neighbors, and lived in the 3 court of Gardenway.

Back on its schedule of meeting the 2nd and 4th Friday of each month at the Co-op Hospitality Room, the Greenbelt Bridge Club played host last Friday to a 3-table movement won by Ann Pisano and Elsie Holtzclaw. In second place were David and Audrey Stern, followed by Sid Barnett and Tony Pisano.

In connection with their Social Studies Unit, North End School's fifth graders in the classes of Mrs. Hilton and Mrs. Phillips traveled to Great Falls last Thursday. The trip was an interesting one. The youngsters learned how pot holes are formed in rocks, and enjoyed a picnic lunch with their teachers and chaperones.

With his parents, Mr. and Mrs. Vaclav Majer, 13-J Hillside, and his teacher, Joe O'Loughlin, Vaclav Majer, sixth grade student, went to the Army-Navy Club on Tuesday to receive an award from General Trudeau for his outstanding science project, "Flex Wings."

lbs., 13 oz. She joins a sister, Karen.

The Fred Wirths, 11-M Laurel, announce the arrival of a son. William was born May 5, and tipped the scales at 8 lbs., 12 oz. He has a sister, Tammy.

The happy birthday song was popular with Center School kindergartners last week. Carl Simonson, 8-C Ridge, was six on the fourth. Jerry Moore, 11-K Ridge, was six on the fifth, and Michael Cross was six on the sixth. Happy birthday, kids!

At the recent 4-H Style Revue, Jeanette Louk, 42-C Ridge, and Barbara Skolnik, 2-E Northway, were awarded two blue ribbons (first). Jeanette modeled a jacket and Barbara a dress. (Sorry these names were omitted from last week's 4-H Story).

A happy-happy birthday to North End kindergartner, Kathy Maley, Ensign Charles H. Wainscott, Jr., USN, son of Mr. and Mrs. C. H. Wainscott, Sr., 1-D Northway, graduated from the Naval Justice

school after competing seven weeks of study in the fundamental principles of military law and procedure. Ensign Wainscott has been assigned to the attack cargo ship USS Wyandot, operating out of Norfolk, Virginia.

Myrna Chasanow, 56 Lakeside, a High Point Senior, was invited to preside at the Prince Georges County meeting of the Future Homemakers Association, which was held on April 26 at Frederick Sasser High School.

Lenore Algaze, 4-B Hillside, and Marcus Nusinov, 26-B Ridge, were among the High Point students invited to play in the all-county orchestra at Bladensburg High School.

From a field of 400 applicants, Gerald Boisvert, 7-C Crescent, was selected as one of thirty to participate in a Summer Institute in Anthropology at the University of Utah, Salt Lake City, from June 25 to August 17.

The second grade classes of Mrs. Fink and Mrs. Lentz made a trip to the National Gallery of Art.

## MEN. DON'T LET YOUR BEST GIRL READ THIS!

This is man-to-man talk.

It's about a problem we all have: what to get *her* for that special occasion. And how to make it a big surprise.

How about a Princess phone?

Girls, mothers and grandmothers just *love* the Princess.

And for good reasons. It's small and good-looking. Very ladylike. And it comes in her kind of colors: white, beige, pink, blue or turquoise.

It's little. It's lovely. It lights. And like all extension phones, the Princess saves all kinds of time and steps. She'll like having it close in the bedroom, especially if she's alone at night.

Sound good? It is. Doesn't cost a fortune either. Why not call your C & P Business Office and learn all about the Princess phone gift certificate, soon.

(P.S. to ladies who couldn't resist reading this far: Casually leave the paper where he can't miss this hint.)

**Pepco raises a prize plant**

In 1960, PEPCO's Dickerson generating plant made the "top ten" for the second straight year. It was #2 among all generating plants in the country in amount of Electricity produced per pound of coal, and just barely nosed out of first place, at that.

We're proud of our Dickerson plant and even prouder of the devoted PEPCONIANS who made this record possible. For such prized efficiency doesn't just happen. It's the result of constant striving by the dedicated people who planned it,

who supervised every detail of its construction and whose day-to-day activities keep our Dickerson plant at maximum efficiency.

PEPCO's striving for efficiency is constant in all four of our generating plants, just as it will be in the new Chalk Point generating plant now being built to meet your growing needs. There, the very latest advances in power generation will be incorporated to assure the realization of our goal—a continuing abundance of "Matchless Service" at the lowest practicable cost.
